

PIEDMONT VIRGINIA COMMUNITY COLLEGE

*Office of the President*

April 25, 2019

Eric Bredder  
Assistant Professor of Electronics &  
Engineering Technology  
Business, Mathematics & Technologies

Dear Eric:

Congratulations! I am pleased to inform you that you have received the **Faculty Teaching Effectiveness Award**. This is a high honor as you have been chosen by a committee of your peers.

The Faculty Teaching Effectiveness Award is awarded to a full-time teaching faculty member whose performance in the classroom or other instructional environment best exemplifies effectiveness in promoting student achievement.

As the award recipient, you may choose to receive a permanent \$500 raise or a one-time bonus of \$1500. The monetary reward will be reflected on the July 1 payroll. Please contact Teresa Willis or Takesha Ellis in Human Resources to inform them of your choice by June 1.

You will be recognized at the Awards and Recognitions Ceremony scheduled for 6 p.m. on Saturday, May 4, at the Holiday Inn, Emmet Street, and I hope you'll be able to attend. If you have not registered for this event, please do so by 5 p.m. on Monday, April 29, 2019.

Your contributions to the College and the people we serve have been considerable and this award is richly deserved. Indeed, it is a result of your outstanding teaching, commitment to the community college mission and philosophy, and dedication to the students at PVCC.

Again, I congratulate you on your award. I look forward to working with you in 2019-20.

Sincerely,

A handwritten signature in cursive script that reads "Frank".

Frank Friedman  
President
